

HAY COMMUNICATIONS 2013 SCHOLARSHIP APPLICATION

Hay Communications Co-operative Limited has been providing telephone service to its members since 1911 and continues to provide total quality communications service and community leadership to its service area. To demonstrate dedication and commitment to education and to rural youth, Hay Communications offers four scholarships in the amount of \$1,500 each to students who are currently enrolled full time at College, University or Vocational Institute of higher learning.

The determination of the winning applicants will be based on community involvement, extra-curricular school involvement, academic achievement and general quality of the application.

Applications for the 2013 Scholarships will become available in September 2013 and will be posted on the website. Hay Communications encourages all students who qualify to apply.

Scholarship Requirements:

1. The applicant is enrolled full time in the second, third or fourth year of a program at a Canadian post secondary institution and has not previously received a scholarship from Hay Communications.
2. The applicant agrees to allow Hay Communications to publicize their name and photo in the event they are chosen as a recipient of the scholarship.
3. The applicant or the Parent/Guardian of the applicant must be a member of Hay Communications Co-operative Limited.
4. Children of employees or directors of Hay Communications are not eligible.

Application process:

The applicant must submit the completed application form and supporting documentation to the business office of Hay Communications by **October 31, 2013**.

Required supporting documentation includes proof of enrollment for the current academic year and academic transcript for the previous academic year.

Winners are determined by independent rankings of a committee using blind copies of the applications.

Please include length of time, number of years and most recent year of participation.

Community and Extracurricular Involvement

Volunteer Work

In short essay style, answer this question: Looking toward the future, tell us how technology will influence your career, personal and life choices?
