

Simplify Your Monthly Billing

CHOOSE AUTOMATIC BANK DEBITS

>> Simplify your billing by having automatic debits made from your bank account each month. Your monthly electronic statement summary provides a quick look to confirm your charges, then with auto-debits, you can spend even less time paying bills by not having to prepare and send your payment each month.

>> Having the amount you owe come out of your account each month offers the peace of mind that your payments are made on the same date each month, but not earlier than necessary. Payments come out on the 21st every month (or the next business day when it falls on a weekend or holiday).

Banking Information Required – Include a VOID cheque, or, If you do online banking you can obtain a digital VOID cheque from the account you want the funds withdrawn, or you can enter the required information below. Your bank can also provide a pre-authorized form with this information.
