Hay Communications
2026 Scholarships

To demonstrate dedication and commitment to education and our rural youth, Hay Communications offers **four scholarships in the amount of $1,500 each** to students who are currently enrolled full time at College, University or Vocational Institute.

The determination of the winning applicants will be based on community involvement, extracurricular school or community activities, academic achievement and general quality of the application.

Hay Communications encourages all students who qualify to apply.

Scholarship Requirements

1. The applicant is enrolled full-time in at least their second year of a program at a Canadian post secondary institution and has not previously received a scholarship from Hay Communications.
2. The applicant agrees to allow Hay Communications to publicize their name and photo in the event they are chosen as a recipient of the scholarship.
3. The applicant or the Parent/Guardian of the applicant must be a customer of Hay Communications.
4. Children of employees or directors of Hay Communications are not eligible.

Application Process

The applicant must digitally submit the completed application form and supporting documentation by **October 30, 2026.**

Required Supporting Documentation

1. Proof of enrollment for the current academic year.
2. Academic transcript for the previous academic year.

Winners are determined by independent rankings of a committee using blind copies of the applications.
